4 NATURAL HIGHLIGHTS OF OAHU ADVENTURE

Join Oahu's most experienced eco-tour company visiting many beautiful locations in a style and with information that no other company can provide. We visit the world famous **Hanauma Bay** (closed Tuesdays), along the island's stunning southeast volcanic coastline. Our next stop is **Halona Cove**, where Green Sea Turtles and Humpback Whales (seasonal) swim in the crystal clear waters off **"From Here to Eternity Beach"** and a blowhole shoots columns of saltwater into the sky. After stopping at **Makapu'u Lookout**, and enjoying breathtaking panoramic views of offshore islands, we visit colorful tide pools and the 25,000 year old **Kaupo lava flow**. Your professional guide will show you **rare species of native Hawaiian coastal plants** and a variety of **colorful seabirds** including Red-footed Boobies, Great Frigatebirds and Red-tailed Tropicbirds. **Just past "Robin's Nest"**, where Magnum P.I. was filmed, we stop for a walk on Oahu's longest sandy beach and enjoy the aquamarine waters of **Waimanalo Bay** where tropical fish and corals abound. Our next stop, **Enchanted Lake Bird Sanctuary**, is one of the premier birdwatching locations on Oahu where several species of rare Hawaiian birds can be observed. We travel to the **ancient Hawaiian Temple, Ulupou Heiau**, to see one of Oahu's best preserved archaeological sites and to learn about many important Polynesian plants. At the world renowned **Pali Lookout**, described by Mark Twain as one of the most beautiful views on Earth, you will see the turquoise waters of **Kane'ohe Bay** and the jagged, 2,000 foot vertical cliffs of the majestic **Ko'olau volcano**.
